## LICKMAN ROAD INTERCHANGE 2010 IMPROVEMENTS PROJECT

### **NOTICE OF CONSTRUCTION** → **MAY 16, TO JULY 31, 2010**

Martens Asphalt Ltd. is proud to be the General Contractor selected by the City of Chilliwack to complete this road improvement project. The basic objective is to make improvements to Lickman Road between the TCH westbound off-ramp, through the intersection at Yale Rd. West and Industrial way and further northbound to the south side of the railway tracks.

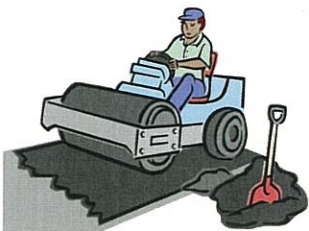

It is our philosophy at Martens Asphalt Ltd to keep the people most affected by our work well informed about issues associated with our project. We believe that it is key to building good community relations as well as maintaining a safe and productive work site. We look forward to working with you on this project and your cooperation is greatly appreciated. In return we promise to do our very best to minimize the inconvenience to your business and to keep you updated on our progress.

#### **What you can do:**

- If you have any special business functions planned then we would like to know about it in advance so that we can accommodate your needs to the best of our abilities.
- Please do not park vehicles within the construction area outside of your property lines
- Please use all due care and attention when driving through the work site as our lives depend upon it.

If you would like more specific information about schedules and how you might be directly affected by our construction please feel free to contact me directly at any of the numbers listed or contact our Site Superintendent Mr. Murray Pike directly on his cell phone @ 604-841-6154 or our Project Coordinator Mr. Cam Turner on his cell phone @ 604-991-0122

Martens Asphalt Ltd., along with the City of Chilliwack anticipate another successful project and would like to thank you in advance for your support and cooperation, as we collectively work hard at... **PAVING THE WAY TO A BETTER COMMUNITY!**

Sincerely,

Rod Stephens,  
Project Manager
