Message from the Mayor

While some may be sad to see the summer go, I can't help but look forward to the cool, crisp air and changing colours of fall. After a warm and relaxing summer, the changing season is invigorating for the mind and body. I can't wait to get outside in the fresh air and walk or bike on our many trails with my family and friends.

Whether you are looking to spend more time outside amongst the beautiful fall colours, or you prefer to participate in indoor recreational activities, there is something for everyone in this Leisure Guide. In addition to our plentiful outdoor recreational opportunities, this guide offers a great program lineup for all ages and interests. I encourage you to try one new activity with a family member or friend this fall and embrace a healthy lifestyle.

The programs in our Leisure Guide are made possible thanks to a collaborative relationship between many stakeholders. This guide is the result of partnerships between the City of Chilliwack, a collection of community programmers and School District No. 33, who assist in the support of the community school associations. Each contributor to the Leisure Guide brings with them an expertise that collectively addresses the needs and interests of the residents of our community. Likewise, many of our facilities are operated by an independent contractor with the expertise and knowledge best suited for daily operations. They help shape the recreational programming we all enjoy.

On behalf of Chilliwack City Council, I encourage you to take a moment to read through this guide, see what it has to offer and take advantage of all the amazing ways you can get active in Chilliwack. Don't forget to visit us online at chilliwack.com for updates on projects, events and celebrations within our community. You can also stay connected by liking us on Facebook at facebook.com/Chilliwack, or by following us on Twitter at twitter.com/City_Chilliwack.

Stay active,

Dog off Leash (DOL) Facility Expansions

Dogs are welcome in most of Chilliwack's parks and trails but they must be kept on leash unless they are in a designed dog off leash (DOL) area. Council recognizes the importance of dogs to their owners and in 2017 is providing additional dog off-leash areas. These off-leash areas are a safe way to exercise and socialize dogs while owners can meet with other dog owners.

A dog off leash area is a place where pet owners can take their dogs to run free without a leash. Off leash does not mean "out of control" and only applies to the specific, designated area. Pet owners must ensure that their dogs are controlled and not violent or aggressive. Pet owners must also be on-site for the duration of the visit and must abide by the off leash area etiquette.

New dog off leash areas include;

Vedder Park at 45450 Petawawa Road near Vedder Crossing

The expansion to the existing dog of leash area in Vedder park included the relocation of the small dog area to a new compound, just to the west, increasing the DOL area by 3030 square meters. The total of dog off leash area in this park is now 9700 square meters which is almost 1 Hectare.

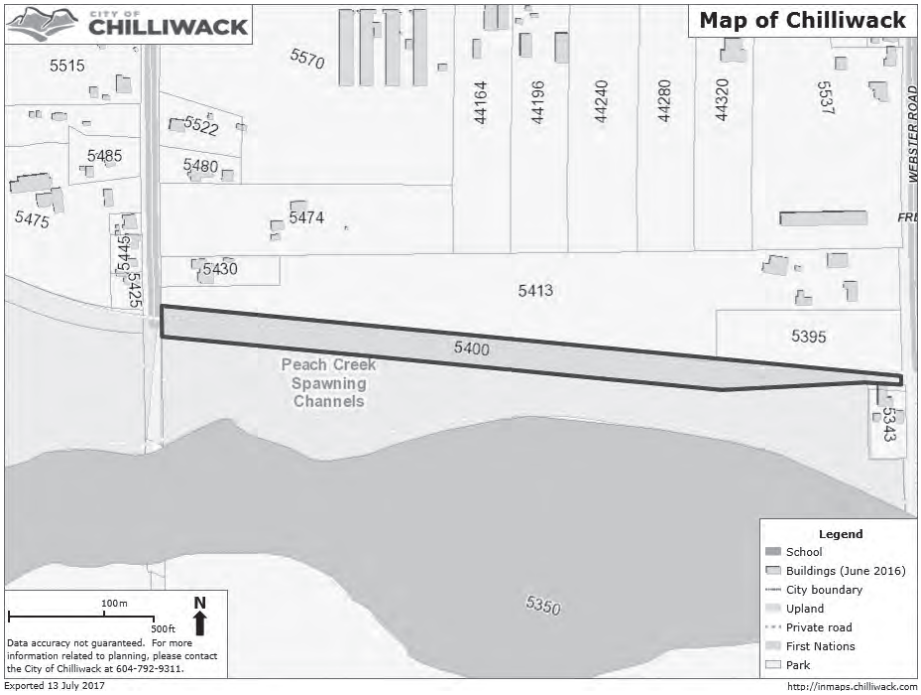
Vedder North Dyke Trail at 5400 Lickman Road

To access this area a visitor could either use the parking lot at the Lickman Vedder Rotary Trail parking lot and walk to the DOL entry area to the west, or by way of Webster Road. Signage at the beginning/end of this off leash trail informs of the etiquette for this off leash dog trail which runs between Lickman Road and Webster Road along the North Dyke. A centrally located area close to the Vedder Rotary Trail was selected for the DOL trail and vegetation will be managed to allow for a large grassy area where dogs can run free. This addition of 8830 square meters of designated off leash area has been well received both in the local neighbourhood and community wide.



Vedder North Dyke Trail at 5400 Lickman Road

Sheffield Dog off leash area at 7215 Sheffield Way

As this parcel of land is in the Agricultural Land Reserve application was made to the Agriculture Land Commission to approve a non-farm use for a public dog off leash area. An existing paved parking area on the north end added to the potential for this parcel as a community DOL park. Further adding to the suitability of this property are the vehicles traveling on Sheffield Way which provides a level of natural surveillance or eyes on the park.

This will be a welcome addition to the dedicated dog off leash area in the City of Chilliwack with over 2300 square meters in the small dog area and 3800 square meters in the large dog area.

Community Profile: Chilliwack Symphony Orchestra & Chorus

Your professional Orchestra in the Valley

Chilliwack Children's Choir

CSO Starlets

Belle Voci

Our season begins on October 14, 2017 – Roy and Rosemary will join the Chilliwack Symphony Orchestra: A Pianist and Violinist who bring Hollywood's beloved cinematic instrumental songs to your concert stage. Your favorites from yesterday and today. The Bogart and Bacall of Hollywood's soundtrack virtuosos.

Roy & Rosemary are equally comfortable with classical and pop music and their diverse talents and improvisational skills have led to numerous performance opportunities, including three different performances at New York's Carnegie Hall, one of which debuted a combined hip-hop and classical concert; a performance as the first ever instrumentalist at St. Peter's Basilica at the Vatican; entertaining at numerous private events, including for Donald Trump at his Mar-A-Lago estate in Palm Beach; performing at the Egyptian Consulate in Washington DC, performing at two concerts at the Vancouver 2010 Winter Olympics; as well as the Beijing Summer Olympics, and even opening Hockey Night in Canada.

A very unique part of their show is doing requests from the audience, often even learning and arranging unfamiliar tunes instantly, inviting the audience in to be a part of the show and a key ingredient in the creative process. Their talents do not end there however. They will keep you wanting more when you hear either or sometimes both of them taking up a microphone and serenading you with their voices.

The Chilliwack Children's Choir will be singing Leonard Cohen's Hallelujah with Roy and Rosemary and the Chilliwack Symphony Orchestra

December 8, 2017 – Messiah in the Valley: First Avenue Christian Assembly, Chilliwack: One of the special challenges in performing Messiah year after year is to keep the work sounding fresh, as if one had just discovered it. It is a joy for many listeners to hear a more detailed, articulate style and quicker tempos based on Baroque dance rhythms and speech patterns

Today, such an interpretation is much more common among both period and modern orchestras, and it is no longer surprising. Instead, a listener can focus on the drama of the work and how a particular performance presents it. We personally have found it satisfying to return to the work each year not so much to perform different versions of it or to consciously try to do something "different," but rather to discover more details and greater depth in the music. For us, that is

what makes it perpetually "new." A work such as Messiah is inexhaustible.

December 9, 2017- Messiah in the Valley: St Joseph, Langley

December 10, 2017- Messiah in the Valley: Saints Joachim and Ann, Aldergrove

The Chilliwack Children's Choir and Belle Voci will join the CSO & C for all three performances of Handel's Messiah

Season passes are available. Tickets start at $15 and are available on-line at chilliwacksymphony.com or at King Music or by calling 604-795-0521

Belle Voci, our eight voice a cappella ensemble will present a sacred concert series in the fall.

Even though the building on Hocking Avenue is not open, the Y will continue to be very active in our community. We are happy to report that we have secured a handful of temporary locations so that we can continue to offer select programming to active.

Heritage Park

Chilliwack Heritage Park is a 65 acre park that boasts a 150,000 square foot building which can accommodate a number of events. Trade Shows, Conventions, Concerts, Dog Shows, Horse Shows, Arena Cross Events, ABA BMX Bike Grand Nationals and local club events just to name a few.

There is a seven acre field for outdoor concerts and festivals as well as plenty of space for camping with your event. There is also a rodeo arena as well as two outdoor sand arenas for your many different equestrian and agricultural events. All arenas are equipped with outdoor lighting for those evening rentals.

Heritage Park, which has been operational since July 2001, is ideally and conveniently located just off the Trans Canada Highway at Exit 116. This allows for easy access by those within Chilliwack as well as people living in the Lower mainland. The striking presence of this 150,000 square foot red building and 65 acre grounds also attracts travellers from all over the Canada, as well as many visitors from the United States.

Heritage Park is a versatile facility. Features include a flexible public address system, box office and show office. The building is comprised of four floors; two are concrete floors that measure approximately 35,000 square feet each. There is also a 48,000 square foot dirt floor and a 30,000 square foot dirt floor. We have 150 portable box stalls for your equestrian event that can be put up on either the concrete or dirt floors, depending on your requirements. The building houses a portable stage, as well as tables and chairs. Our washroom facilities include showers and are handicapped accessible.

Heritage Park is not only a fine multi-use facility, but it also offers you a management and staff who are committed to your satisfaction. We would be pleased to work with you to help make your event a success.

BUILDING COMMUNITY

one neighbourhood at a time!

Did you know that building relationships in your community can help improve your sense of well-being, quality of life and neighbourhood safety?

The City of Chilliwack's Neighbourhood Grant Program was developed to support residents and organizations that have small but powerful ideas that will bring people together and enhance neighbourhoods. If you have an idea, such as a block party, BBQ or enhancement project for your neighbourhood, the City of Chilliwack may be able to help through funding and/or resource assistance.

Let's work together to make every neighbourhood a little more vibrant and full of friends!
